squeezing her face, he was telling his girlfriend to “shut the fuck up.” Mr. Hoffman then proceeded to choke her. She did not lose consciousness; however, she advised if it had continued, she feels she would have. She also stated it was difficult for her to breathe during the incident and indicated even an hour after the incident, she was still experiencing difficulties breathing. The deputy interviewing the victim observed her lips to be swollen and bleeding and took photos. Mr. Hoffman’s girlfriend reported that she would have called earlier but Mr. Hoffman took her phone, prohibiting her from calling law enforcement.

The victim’s 12 year old son witnessed the incident. He reported to law enforcement he saw Mr. Hoffman on top of his mother with both hands around her throat.

The Stevens County Sheriff’s Office developed probable cause for the aforementioned charges.

Mr. Hoffman was not at the residence when law enforcement arrived and his whereabouts are unknown. The undersigned officer has attempted to reach Mr. Hoffman on his cell phone and at this time, have gone unanswered.

The U.S. Probation Office respectfully recommends the Court issue a **warrant** requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
